PRESS RELEASE

“RAP – Rhythm And Poetry” at the 43rd Nuremberg Bardentreffen

Fri - Sun, 27 to 29 July 2018
Old Town – Free Entrance

Stadt Nürnberg

Rappers play rhythmic word games, write poetic texts and are certainly the hippest and most modern form of bards. Under the heading of “RAP – Rhythm And Poetry”, the 43rd edition of Germany’s biggest free open air festival in Nuremberg’s Old Town will focus on rhythmic speech and its very many and diverse forms in musical culture.

“In our minds, today’s rappers fulfil the same functions as singer-songwriters of the past: questioning social conditions with wit and commenting on them critically”, says artistic director, Rainer Pirzkall. “This makes Bardentreffen more topical than ever, but still firmly rooted in tradition.”
